

Dear Campers and Parents,

Welcome to Leif Ericson Camp@Home! My name is Becca, and I am the Leif Ericson camp director this summer. I can't wait to get started with all our fun activities! You should have everything you need for your Camp@Home experience in this bag - and at the bottom of this letter, you'll find a list of supplies that are included.

Here's how Camp@Home will work: We start each day with chapel to get the campers excited for the day! Then your camper will have four activities to do. Some activities will happen in front of the computer (like our crafts), and others will start at the computer, and move to another location. Activities can be completed at any time during the day. Each day campers will have a Google Hangout Group Meeting with their counselors at **11:00 AM**. At the Group Meetings, campers will get to spend time with their counselors and with the other campers who've signed up for Camp@Home. They'll play some games, and talk about all the activities they did at camp that day. Here is a schedule so you know what your camper is up to:
